- During the course of tournament play, if one of the teams involved has a score lead of six (6) goals or greater over its opponent during the third period of the game, the game officials, either the referee or the Tournament Manager, must invoke a running/non-stop clock. The clock will be stopped only by the referee. If during the period the goal spread becomes four (4) goals; the non-stop clock will be resumed.

11. Tie Tournament Games

- a. If the ice-sheet has been played on for one (1) period the following procedures will take place:
